SELECTMEN'S OFFICE

To the residents of Salisbury:

During the past year several events have taken place which we believe the people of Salisbury should be informed.

We were notified in January, 1967, that the Journal-Transcript would no longer publish the Town Reports. Several printers were contacted — the majority of them had discontinued printing such reports or did not wish to take on anymore such jobs. The Village Press, Inc. in Concord, N. H. printed our report this year — we are interested in your thoughts.

The Warner Road (Tucker Pond) is to be finished this year. During the past year the road in the vicinity of Peter's Bridge was widened as well as a portion of the New Road near the old Town dump.

With the Baptist Church and Hearse House painted the appearance of the Town Buildings at the Heights add considerably to the locality. The Selectmen at this time wish to express their sincere appreciation to Mr. Arthur Wilkins for his thoughtfulness in furnishing and planting flowers in front of the monument; to Mr. and Mrs. Charles Anderson and Mr. and Mrs. Philip Dexheimer for an American flag for the Common; and to Mr. and Mrs. George Beasley for the electric stove in the Town Hall kitchen. It is such deeds as these that encourages one to put more effort and hope in the future.

A "Junk Yard" license was issued to Mr. Neal McLucas by the Board in April. We have made a good start in disposing of the junk cars; however, more should and must be done in this direction. Our sincere thanks to Neal for hauling many of these relics into his yard.

We are truly attempting to make our tax dollars work for all. This is YOUR TOWN — how about putting YOUR shoulder to the wheel to make it a better place for you and your offspring to live and enjoy!

Board of Selectmen

Fire Department Report

During the past year the Salisbury Volunteer Fire Department answered ten calls. This was eight calls less than the previous year which proves that the citizens of Salisbury are more fire cautious, for which we are deeply grateful.

We were fortunate that only one of these calls was for a building; seven were chimney fires, one a grass fire, and one a fire at the town dump.

In the near future we plan to get started on the finishing off of the upstairs section of the fire station. The Ladies Auxiliary has earned money enough to get this job started and plan to raise enough to complete the job.

Again you are reminded -- the fire phone number is 8-2200. Please jot the number down near your phone. When you call this number, it rings three phones at three different locations, thus giving three people a chance to put the call system into effect. When you dial a private number to report a fire, two more calls have to be placed before the call system goes into effect. It will help US and YOU if you will please call 8-2200 to report a fire.

LEWIS BARTLETT
Fire Chief

Forest Fire Warden's Report

The 1966 forest fire season has passed with little activity, we had one brush fire burning about 1/30 of an acre.

Early detection and rapid response by our firemen can keep potential fire disasters from becoming a reality.

We must continue our efforts to prevent fires and protect our community of some 27,000 acres as we have done in the past years.

Each year the major portion of preventable fires in the State of New Hampshire are chargeable to three causes: (1) permit fires allowed to escape; (2) children playing with matches and (3) smokers. Let us bear in mind that all such fires endanger lives and property.

Our district fire chief, Gerald H. Hight, our firemen and I wish to thank you for your very fine cooperation during the past year and with this continued cooperation we can look forward to keeping our town and the great State of New Hampshire green in the future.

Respectfully submitted,
Lawrence Bowne
Forest Fire Warden

Salisbury Civil Defense

Last year we held a "Medical Self — Help" course of which I was very pleased with those who attended. Almost a perfect attendance of 29 completing from 30 starting.

We were called out to assist in a few accidents including one call for oxygen with our Rescue Truck last year.

Our big goals for this year are as follows:

1. A new siren for the fire station to be bought with matching - funds from the Federal Government.
2. Start to uniform and Equip our police force more.
3. Hold an adult education course.
4. Hold an advance First Aid course in the fall.
5. Strive to get a resuscitator for the Rescue Truck.

A reminder that your fire phone, 8 - 2200, is also your Civil Defense Emergency phone.

Respectfully submitted,
Richard Ballam, Sr.
Civil Defense Director

Bi-Centennial Committee Report

At the last Town Meeting the Selectmen were authorized to appoint a bi-centennial Committee. Appointed were Phyllis Fitts, Dorothy Bartlett, Philip Nerden, David Chamberlin and Arthur Schaefer.

Two meetings have been held, several ideas have been discussed, and the weekend of July 20-21, 1968 has been set as a tentative date for the celebration.

The committee needs the help of all organizations and each and every individual in order to make this a gala affair. Any suggestions any one may have to offer will be greatly appreciated by the committee.

David Chamberlin
Committee Chairman

Salisbury Historical Society

The Salisbury Historical Society was officially formed on the 26th of September, 1966. On that evening a group of Salisbury residents and friends of the Town met in the old Baptist Meeting House at the Heights and unanimously adopted both constitution and by-laws which form the charter of the group. It was decided that all those who pay their dues before the date of the first annual meeting in August, 1967, shall be considered Charter Members and shall be so listed in the records of the Society.

Since September, 1966, the Society has welcomed nearly one hundred paid members to active membership and awaits only the signature of the Secretary of State to be legally a non-profit corporation in the State of New Hampshire. This will mean that all dues and donations to the Society will be tax-exempt as provided by State and Federal law.

The aims of the Society are clear: to preserve the past of Salisbury and to make its history a real and lasting asset to the present and future of the Town. Preservation in this sense does not mean an attic full of dusty relics, but rather a sifting and selecting and holding fast to what is good and that which is of real or spiritual value to our lives and to those who succeed us. In tangible ways it means up-dating the existing history of the Town; marking historic sites in a suitable fashion so that others may become aware of their importance; keeping now disused cemeteries in proper order and making records of them for those who are engaged in genealogical and other researches; acquiring all records, legal and personal, which concern the Town and those who have lived here; preventing articles, large and small, important to the Town from passing out of the Town; recording the remembrances of old-time residents now among us as a link between Salisbury-of-past-times and generations yet to come; preserving and, when possible, restoring specific historic areas and buildings within the Town so that they may continue to be used and enjoyed by all.

It has been said, and meant as a compliment, that the town of Salisbury looks as though it had not changed since the Revolution. In fact, there is no life in a vacuum nor any appeal to living in a stagnating backwater. Preservation of the past is not an end in itself but a beginning in community pride, a foundation which we cannot afford to overlook or ignore if we are to build a good town for the future.
